Re: Albion-Sheridan Township Landfill Superfund Site
Unilateral Administrative Order V-W-96-C-36

Dear Mr. Lindland:

The following is a status report on the activities of Corning Incorporated, Cooper Industries, Inc. and Decker Manufacturing relating to the Albion-Sheridan Township Landfill Superfund Site.

Representatives of Corning, Cooper and Decker will meet in Albion, Michigan on Monday, February 12, 1996 to interview a number of nationally-recognized environmental consulting and engineering firms. As soon as is practicable, a firm will be retained as the Project Coordinator, and will undertake efforts to work closely with Region V and to comply in a timely fashion with the remedial design/remedial action requirements of the Unilateral Administrative Order.

Please call me directly should you have any questions.

Very truly yours,

Andrea Kojm Thomas
Assistant Counsel
